

APCC# _____

Application for Exempt Parcel

Exempt Parcel:

A parcel that does not meet or conform with the requirements of the subdivision regulations and to be transferred to an adjoining landowner.

One copy of this application, complete with the information listed below, must be filed with the Ashland County Planning Commission. After these applications are received by the Commission, they will be reviewed by this office and the Tax Map office. Separate applications shall be submitted for each lot to be subdivided. The application, complete with the action taken by the Commission, will be returned to the applicant or agent.
