

How-to Guide to Create a FraudSleuth Account

Google Ashland County Ohio Recorder or go to ashlandcounty.org/recorder/

Click the blue highlighted link under Online Record Search

You will see a FraudSleuth icon and below that you will click the Create Account link

Under 'Personal Information' you will enter your

Username:

Full Name:

Password:

Confirm Password:

Email Address:

You can also enter your address and phone number if you choose

When finished click the Save Button

You will be directed back to the County Fusion Home Screen

Enter your Username and Password, then click Login

Accept the Disclaimer and exit out of any notifications

Click on the 'Preferences' icon towards the top left-hand side of the screen

Go down to 'Fraudsleuth Preferences' and click on the link 'Configure FraudSleuth Profile'

***Note - If you see that your password autopopulated on this screen, please erase that and don't add it in the confirm password section.**

Once you've clicked on the 'Configure FraudSleuth profile' link Click + Add Profile

From here you can add Profile Name and Profile Details

For example:

Your first and last name

Your first, middle initial, and last name

Your first, full middle, and last name

You can add the name of your Trust or your Business under Last Name, or Trustee in the Suffix section if that applies to you

You can add as many profiles as you would like by clicking +Add Profile

When finished click the Green Checked 'Done', then click Save, then you can log out
